

# List of Mobius Institute Board of Certification Approved Training Courses

## Introduction

The following list of training courses has been approved by the MIBoC Technical Committee as having met the pre-requisite training requirements for eligibility of the certification examination at the specified Category.

Please note that if more than one course is listed for a training organisation then all courses need to have been completed in order to meet the requirements.

For any queries, please contact the MIBoC Certification Manager at [certification.manager@mobiuscertification.org](mailto:certification.manager@mobiuscertification.org)
